

SKILLS BOOTCAMPS IN DIGITAL SKILLS

Our Digital Skills Bootcamps are free flexible courses, held over two days per week for 10 weeks. These are suitable for people looking for a new role or job opportunity.

We are offering two awards:

Level 3 Certificate in Digital Support – designed to provide learners with knowledge and skills for working in the digital support sector, such as a ICT Helpdesk Technician.

Level 3 Certificate in Cyber Security Practices –

designed to provide learners with knowledge and skills relating to cyber security practices.
