Early Years Apprentice Practitioner Level 2

A great opportunity has arisen for an Apprentice to join the team at Happy Days Treloweth, Redruth and undertake their Level 2 qualification in Early Years. We are looking for someone who shares our enthusiasm for providing quality childcare, to support the learning and development of children by delivering outstanding childcare to every child.

Please find below the duties and expectations of an early year's practitioner apprentice:

- Ensure the welfare and safety of children is promoted and report safeguarding issues and concerns to the person in charge.
- Support the planning and delivery of purposeful play activities in line with the early year's foundation stage.
- Work with parents, colleagues and other agencies to ensure children's individual needs are met.
- Support the children to understand healthy life choices through engaging play activities.
- Take an active role in seeking out continuous professional development opportunities during the apprentice's programme and beyond.
- Communication and knowledge of child development to engage with children and support those requiring additional support.
- Support children who are experiencing transitions such as moving to school or birth of a sibling, using your knowledge of the children to support them.
- Carry out respectful care routines such as feeding, nappy changing and dental care.
- Take an active part in the completion of their apprenticeship, meeting deadlines set by their trainer assessor and working with the dedicated mentor to develop their knowledge, skills and behaviors.
- Support children's numeracy, literacy and language through a range of play activities and opportunities

Lead Engineering Maintenance Technician Level 4 Apprentice

We're looking for a motivated apprentice to join our Power & Cooling Engineering team, playing a vital role in keeping BT's networks running 24/7, 365 days a year. This is not a desk job – you'll be out in the field, traveling in a company van (which we provide), working with experienced engineers to maintain and test our power infrastructure across the UK.

As a Lead Engineering Maintenance apprentice, you'll be helping to maintain and test our power and cooling systems to meet both regulatory compliance and environmental standards. You'll be working on a wide range of hardware inside our exchange buildings, radio sites, rooftops, and outdoor locations to ensure that the BT estate continues to work no matter the circumstances, therefore ultimately ensuring our customers have the best possible experience.

Location: Launceston

Level 3 Engineering Apprentice

An engineering apprenticeship is an ideal way to start your career at Bott, with opportunities to progress. You can learn and gain a nationally recognised qualification, whilst earning a monthly wage. Starting in September, our scheme is provided in partnership with local Colleges and completed over 4 years. Combining full-time employment with part-time study, you get hands-on experience and earn while you learn.

You will be allocated time to attend college on a day release basis, resulting in a level 3 certificate in engineering upon completion of the apprenticeship. You will have the opportunity to work within all production disciplines and with our support, gain all the knowledge and effective practical skills you need. This involves hands-on work - from maintaining tools & welding to training on state-of-the-art equipment & machinery.
