QUANTITY SURVEYOR

earn from **£24,000** to **£80,000**
in Cornwall and the Isles of Scilly

What role do **Quantity Surveyors** play in the **Construction & Built Environment Industry**?

Quantity Surveyors manage the costs of projects. They estimate how much a project will cost, keep track of expenses, and make sure it stays on budget. They also help with contracts and make sure the project is getting the best value for money. Quantity Surveyors are in demand in Cornwall and the Isles of Scilly. **Find out more here:**

- Surveying requires a lot of calculations, so **MATHS** is important
- You'll need to collect and communicate information, so **ENGLISH LANGUAGE** and **DIGITAL SKILLS** are going to be crucial
- Quantity Surveyors love **VARIETY**; working with different teams across locations

You can **gain the qualifications** you need by **doing a university course or an apprenticeship**

If you already have relevant experience you may be able to apply directly to an employer or train on the job.

Experienced Quantity Surveyors often move on to managing and directing roles!

Funded by
UK Government

Funded by the UK Government through the G7 Legacy Fund. Cornwall Council has been chosen by government as a Lead Authority for the Fund and is responsible for monitoring the progress of projects funded through the G7 Legacy Fund in Cornwall and the Isles of Scilly.
